-Paid Ben For: Falconhyrste: Spell Before The Bell Review: \$20.00 USD = \$29.19 CAD at time of pay.					
- Website renewal coming up: Mar 5, 2019. Cost will be: \$67.00 CAD for Domain and Hosting.					
- Goal for February is to continue making strides towards financial stabilization.					
Panda currently pays reporter Ben Howard personally out of her own pocket due to the fact that she is attempting to build money in the Under The Ink accounts for the sake of paying the Yearly Domain and Hosting fees. Ben is currently writing on a lessened schedule to allow for fees to be paid, and will resume more frequent writing again when the Domain and Hosting has been paid at the beginning of March, 2019.					
Currently the site has NO GUEST CONTRIBUTORS and is NOT HOLDING ANY EVENTS.					

Note that all money has been converted from USD to CAD, as Under The Ink is in Canada.
